Mr. E. H. Knoche  
 Acting Director  
 Central Intelligence Agency  
 Washington, D.C. 20505

Dear Mr. Knoche:

I want to thank you for your willingness to testify before the Subcommittee on African Affairs, of which Senator Dick Clark is Chairman, in a closed session at 9 a.m., Wednesday, February 9, 1977.

The Subcommittee is holding hearings on February 9 and 10, 1977, on S. 174, a bill to amend the United Nations Participation Act of 1945 to halt the importation of Rhodesian chrome. I am enclosing a copy of the bill for your information. We would appreciate a briefing from you on the current situation in Rhodesia -- economic, political and military and on possible future developments there. Any information you might have on the reliability of access to Rhodesian chrome and ferrochrome would also be helpful.

If you have any further questions or desire assistance, please call Mr. Seth Tillman of the Committee staff on 224-5381, or Mrs. Marianne Spiegel on 224-3254.

Sincerely,

*John Sparkman*

Mr. CLARK (for himself, Mr. BROOKE, Mr. CRANSTON, Mr. HUMPHREY, Mr. JAVITS, Mr. KENNEDY, Mr. MCGOVERN, and Mr. PERCY) introduced the following bill; which was read twice and referred to the Committee on Foreign Relations

## A BILL

To amend the United Nations Participation Act of 1945 to halt the importation of Rhodesian chrome.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress-assembled,*

3 That section 5 of the United Nations Participation Act of  
4 1945 (22 U.S.C. 287c) is amended—

5 (1) by adding at the end of subsection (a) the  
6 following new sentence: "Any Executive order which  
7 is issued under this subsection and which applies meas-  
8 ures against Southern Rhodesia pursuant to any United  
9 Nations Security Council resolution may be enforced,

10 notwithstanding the provisions of section 5 of the United Nations Participation Act of 1945.

1 (2) by adding at the end thereof the following  
2 new subsection:

3 “(c) (1) During the period in which measures are ap-  
4 plied against Southern Rhodesia under subsection (a) pur-  
5 suant to any United Nations Security Council resolution,  
6 a shipment of any steel mill product (as such product may  
7 be defined by the Secretary) containing chromium in any  
8 form may not be released from customs custody for entry  
9 into the United States if—

10 (A) a certificate of origin with respect to such  
11 shipment has not been filed with the Secretary; or

12 “(B) in the case of a shipment with respect to  
13 which a certificate of origin has been filed with the  
14 Secretary, the Secretary determines that the informa-  
15 tion contained in such certificate does not adequately  
16 establish that the steel mill product in such shipment  
17 does not contain chromium in any form which is of  
18 Southern Rhodesian origin;

19 unless such release is authorized by the Secretary under  
20 paragraph (3) (B) or (C).

21 “(2) The Secretary shall prescribe regulations for  
22 carrying out this subsection.

23 “(3) (A) In carrying out this subsection, the Secretary  
24 may issue subpoenas requiring the attendance and testimony

25 of witnesses and the production of evidence. Any such sub-

1 pena may, upon application by the Secretary, be enforced in  
2 a civil action in an appropriate United States district court.

3 “(B) The Secretary may exempt from the certification  
4 requirements of this subsection any shipment of a steel mill  
5 product containing chromium in any form which is in transit  
6 to the United States on the date of enactment of this  
7 subsection.

8 “(C) Under such circumstances as he deems appropri-  
9 ate, the Secretary may release from customs custody for  
10 entry into the United States, under such bond as he may  
11 require, any shipment of a steel mill product containing  
12 chromium in any form.

13 “(4) As used in this subsection—

14 “(A) The term ‘certificate of origin’ means such  
15 certificate as the Secretary may require, with respect  
16 to a shipment of any steel mill product containing  
17 chromium in any form, issued by the government (or by  
18 a designee of such government if the Secretary is satis-  
19 fied that such designee is the highest available certifying  
20 authority) of the country in which such steel mill product  
21 was produced certifying that the steel mill product in  
22 such shipment contains no chromium in any form which  
23 is of Southern Rhodesian origin.

24 “(B) The term ‘Secretary’ means the Secretary of  
25 the Treasury.”
